

Set 3 Green Words

We introduce green words to your son/daughter so they can ‘sound out’ and ‘sound blend’ words containing the new speed sound they have just learnt.

Please do not practice all the Set 3 green words until your son/daughter knows all their Set 2 sounds.

Have a go at reading some of these at home with your child. Start by asking read them out loud then to read them in their head and shout them out speedily!

This is the sequence for teaching your child the sounds and the corresponding green words.
