OUR LOCAL GOVERNING BODY

John Canham

CHAIR

I have been involved in school Governance for 12 years. I have been chair of Governors at Rickley Park School for 3 years. My previous governorship was at a school in Milton Keynes that went through the academisation process and joined the same IFtL trust that Rickley park is part of. I served in the Military for 9 years and 36 years in the Prison service. I currently work at another IFtL school. We as a Governing Board are truly invested in your children's education, safety and learning experience whilst at this school.

Victoria Fletcher

VICE CHAIR

I have been a governor of Rickley Park for 2 years, and am one of the Safeguarding governors. I bring to the Board of Governors my experience as a qualified teacher, and know how rewarding it can be to see the progress made by children. I currently work for examination boards across my subject specialism of French and Spanish. When not working, I enjoy going to the theatre, spending time with family and friends, and taking my little dog for a walk. I enjoy new opportunities, and am committed to helping the school and its pupils on their journey throughout their time at Rickley Park.

Matthew Gibbons

I have lived locally all my life and have strong ties to the community. As a parent of three children who have attended the school, I have seen firsthand the positive impact it has on pupils and families. I am passionate about supporting the school in continuing to provide the best opportunities for its students and am keen to contribute my time and skills to help enhance its work wherever I can.

Devon Cushnie

A London-born, but much-travelled world citizen, with a professional passion for procurement, and personal passions for health science, music, and poetry. As a former foster carer, and current father of five, I advocate for inclusivity, and live to 'nurture the trees in every apple'.

Sanaa Amin

As a parent governor, I am proud to represent the voices of families within our school community and help make a positive difference to the school experience for all children. With a strong commitment to supporting both students and staff, I bring a parent's perspective to decision-making.
I am committed to supporting the school's vision and ensuring that all children are given the opportunity to thrive in a safe, inclusive, and nurturing environment.

Andrew Dyer

I am proud to serve Rickley Park Primary as a Trust appointed governor, supporting our leadership team and helping ensure all pupils receive the best possible education. With a strong commitment to the school's values and community, I bring enthusiasm, a willingness to listen, and a passionate interest in contributing to the school's continued success.

Becky Skillings

I am proud to serve as a governor at Rickley Park, where I previously taught for seven years. This experience gave me a deep understanding of the school's ethos and community, and I'm delighted to continue supporting its development in a governance role.
Currently, I am a headteacher at a nearby school in Bletchley, and I remain strongly committed to the local area and its children. My professional expertise lies in Special Educational Needs and Disabilities (SEND), safeguarding, and assessment, and I use this knowledge to help ensure that every pupil receives the support and opportunities they need to succeed.
As a governor, I work closely with the leadership team to provide both challenge and support, helping to shape strategic decisions that reflect the school's values and ambitions. It's a privilege to contribute to the continued success of Rickley Park and to champion inclusive, high-quality education for all.
